支持愉景灣第 6f 區的發展計劃以善用珍貴土地資源

I am writing in support of the application for Area 6f in Discovery Bay, for the following reasons:

1. The plan has given due regard for the mountain backdrop and the relationship with the existing, and is in harmony with the adjacent land uses such as the residential areas, and even bring in vitality to area 6f.
2. It is an area suitable for residential building as it has been zoned as housing people all these years. Also, the population of DB is low, and the planned plot ratio is still very low even after building the new houses at area 6f. The infrastructure and facilities can accommodate the extra population.
3. The usage of Discovery Valley Road is, in any standard, quite low. Additional traffic can be easily accommodated.

支持愉景灣第 6f 區的發展計劃以善用珍貴土地資源

I am writing in support of the application for Area 6f in Discovery Bay, for the following reasons:

1. The plan has given due regard for the mountain backdrop and the relationship with the existing, and is in harmony with the adjacent land uses such as the residential areas, and even bring in vitality to area 6f.
2. It is an area suitable for residential building as it has been zoned as housing people all these years. Also, the population of DB is low, and the planned plot ratio is still very low even after building the new houses at area 6f. The infrastructure and facilities can accommodate the extra population.
3. The usage of Discovery Valley Road is, in any standard, quite low. Additional traffic can be easily accommodated.

I am writing in support of the application for Area 6f in Discovery Bay, for the following reasons:

1. Increase the property value of nearby areas.
2. There is a lack of playground and leisure facility in the Woods. Deriving from the past experience, HKR will beautify the surrounding area when the proposed development is constructed. The Woods will be benefitted as well.
3. The mountain view of most Crystal and Coral units will not be blocked.
4. With one more village, the cost of sharing the maintenance expense of communal facilities can be reduced which will benefit all owners.

I am writing in support of the application for Area 6f in Discovery Bay, for the following reasons:

1. The existing open green lawn is currently heavily used as dog latrine. It is indeed an eye-sore and the smell is disgusting. The re-zoning gives an opportunity to change.

- 目前狗隻隨意在6f區荒廢的土地便溺，引致景觀、臭味及環境衛生問題。新規劃可改善此情況。
- 6f一直已規劃為居住用途，證明土地適宜建屋。現時愉景灣人口不多，規劃中的地積比亦很低，及配足以容納新增的人口。
- 引入新屋苑，可分擔公共設施的維修費用，對業主有好處。

I am writing in support of the application for Area 6f in Discovery Bay, for the following reasons:  
本人來函就愉景灣第 6f 區的發展計劃表示支持，原因如下：

- 計劃的位置及設計與周邊的環境及住宅融合，更活化該區老舊的景觀。
- 目前狗隻隨意便在6f區荒廢的土地便溺，引致景觀、臭味及環境衛生問題。新規劃可改善此情況。
- 6f一直已規劃為居住用途，證明土地適宜建屋。現時愉景灣人口不多，規劃中的地積比亦很低，基建及配套足以容納新增的人口。
- 引入新屋苑，可分擔公共設施的維修費用，對業主有好處。

I am writing in support of the application for Area 6f in Discovery Bay, for the following reasons  
本人來函就愉景灣第 6f 區的發展計劃表示支持，原因如下：

1. The plan redevelops and upgrades the current mix of unsightly uses in the area. The overall environment of the area will be improved.
2. The improvement to the foreshore promenade, transportation and marine access will serve residents and visitors to Discovery Bay.
3. More public leisure space will be created for residents and the public to enjoy.
4. It helps Discovery Bay to reinforce its European style architectural design in the town plan which is really unique in Hong Kong, and help boost the international and diversified image of Hong Kong with this town planning design.
5. The plan echoes with the future development at Lantau Island and keep DB competitive.
6. The property price in DB will be driven up by the new development.
7. The extra landscape and greening in DB help purify the air and reduce carbon emissions, help to build a sustainable green city.
8. Kaito berthing facilities definitely need an upgrade, such as including shelter and seating area.
9. With the increasing population and more new families, the DB schools can recruit sufficient students which will be essential to ensure the financial and operational sustainability of schools. The plans will provide more new spaces and facilities for the students to enjoy and have more creative extra-curricular activities in the outdoor setting.
10. I work in DB. The plan will offer me a much better work environment.
11. I work in DB. The plan can offer me a green leisure place for rest during the break.
12. The greening at the podium can create a shelter to block the strong sunlight, which help to enhance the health and safety in our workplace.
13. The new plan will separate different workshops and supporting facilities which help enhance the air quality in the workplace.

支持愉景灣第6f區的發展計劃以善用珍貴土地資源

I am writing in support of the application for Area 6f in Discovery Bay, for the following reasons:  
本人來函就愉景灣第6f區的發展計劃表示支持，原因如下：

- 6f 這幅土地平整了已經三十多年，每日眼見它丟棄一旁而不作發展，十分可惜。香港地少人多，政府必須善用每一寸的土地資源！
- 可善用愉景灣6f區珍貴的土地資源，有助減輕香港土地不足的問題。
- 新發展會創造更多就業機會，為市民及社會帶來好處及經濟效益。
